[DOWNLOAD HERE](#)

A collection of 17 original tracks by 17 unique artists/groups in celebration of the warmth and "theta" (creative spirit) of the holiday season... Includes songs by David Pomeranz, the CCI Choir, and a world-premiere story by Celestial Navigations. 17 MP3 Songs FOLK: like Joni, SPOKEN WORD: With Music Details: Theta comes from the ancient Greek character (looks like an "O" with a horizontal line through it) and its original meaning translates to the concepts of thought, life and spirit. In the field of music, I like to think of theta as creative spirit and there is certainly plenty of that represented here by the talented artists on this album, as well as the visual package you hold in your hand. If you enjoy this album as much as I enjoyed bringing it to you, then please spread the word about A Very Theta Christmas far and wide! Its available right here on CDBaby.com, iTunes and 36 other digital download sites. Have A Very Theta Christmas! Randall Michael Tobin Producer ***** Welcome to A Very Theta Christmas, an extraordinary collection of holiday songs, compositions and a story written and performed by members of our international church. We hope this album brings you much joy and theta each and every holiday season.
