

Mp3 Alex Arestegui - Proem

[DOWNLOAD HERE](#)

A full progressive trance experience, emphasizing on dreamy washes of keyboards that slowly unfold over a chest-thumping kick drum as the music conveys an emotional, classical bend. 8 MP3 Songs

ELECTRONIC: Trance, ELECTRONIC: Techno Details: Seventeen-year-old Alex Arestegui has been an Electronic music enthusiast from the budding age of seven. Captured by the Robert Miles masterpiece, "Children" (1995), Alex discovered an impetus that would keep him ticking for the following years to come. "Proem" is the current result of Alex's passion for Electronic music. Comprising of various elements and styles, it portrays a period in his life that has been emotional and inspiring. It is a soulful compilation of various qualities. It is a full musical experience, including dreamy washes of keyboards that slowly unfold over a chest-thumping kick drum as the music conveys an emotional, classical bend. Having a deft sense of how to build crowds into a frenzy while also being capable of setting one's mind at ease is what sets Alex's compositions apart. If you enjoy the assorted styles of Electronic music executed with great skill, make certain to check out: Alex Arestegui - "Proem"! _____ Musical influences include: Robert Miles, Jono Grant, Paavo Siljamki, Tony McGuinness, Mike Shiver, Probspot, Andreas Schmidt, Ferry Corsten, Chicane, Sigur Ros, DreamLab, Enigma, and many many others.
