Details: Relentless is the second collaborative album by composers Aron Kirk and Mark Shaw. It is fair to say that in some ways Relentless echoes elements of Aron and Mark's solo works in the way that it contains both darkness and light as well as that subtle twist of both elegance and dark humour. Featuring songs written by Kirk and Shaw, as well as some of Mark Shaw's solo instrumental pieces. Relentless is an absolute must for fans of Electronica, Synth Pop, and contemporary ambient instrumental music. Those who are familiar with the work of Mark Shaw and Aron Kirk will know that it is a little more adventurous than that of their individual solo works, and this is primarily due to the differences in their solo musical genres. Kirk likes to employ the sound of piano, synthesisers, woodwinds, acoustics and delicate electronics, whereas Mark prefers to compose a more organic and driving style of electronica. Both Aron Kirk and Mark Shaw continue to work on solo material. Note: All CD's are factory pressed and sealed.
