(So shocked that we had goose bumps running up down our arms!) This outstanding music by Arthur is nothing short of brilliant it's very energetic and fun to listen to and puts you in a great mood on the way to work. Overall it's a great music and is highly recommended to everyone. All songs are unique and are a fusion of dance / Flamenco numbers all blend in a spectacular way it is perfect for anyone who loves to dance or to get a groove on. ------Biography Arthur has a Bachelor degree in Electrical Engineering and twenty five years of music experience. A child prodigy, at the age of nine he was already showing interest to music, at the age of twelve his father rewarded him with his own Classical guitar, at the age of fifteen he was playing cords on the guitar, at the age of eighteen he decided to take guitar lessons to further his knowledge. He continued taking guitar lessons with the world famous Flamenco player Armik. Now Arthur is one of the best entertainers and song writers. He recorded his albums in his unique style Arthur calls " Dance Flamenco" joyfully blending modern dance music and Gypsy Flamenco together. (arthurmusic.net)
