Related styles: ELECTRONIC: Ambient, ELECTRONIC: Electronica People who are interested in Tangerine Dream Vangelis should consider this download. Details: Ashok Prema is a UK based composer/musician who derived inspiration from Tangerine Dream and whose music he was entrenched in for many years. Before this however, he grew up listening to contemporary Indian film music and as a result, his music a subtle blend of sequencer based electronic avante-garde music with just a hint of the East making it truly unique. Joining Ashok is Rob Jenkins a talented guitarist and master at producing masterful Berlin School sequences . Together they produce an explosive combination of melodies and analogue rhythms interspersed with atmospheric pads and guitar. Incredible!
