

Mp3 Brendan Losch - Until We Meet Again

[DOWNLOAD HERE](#)

Heartfelt songs imbued with intimate chords, melodic vocals and simple yet contemplative lyrics. 10 MP3 Songs FOLK: Folk Pop, ROCK: Folk Rock Details: 24-year-old singer/songwriter/multi-instrumentalist, Brendan Losch, manipulates your typical range of instruments like the guitar and the keyboard but supplements his melodies with more lively instruments like the glockenspiel, lap steel, banjo, melodica, and musical saw. Born into a musical family in suburban Chicago, Brendan picked up his first instrument, the clarinet, in the 5th grade. He picked up the guitar in the 6th grade, and has been creating music ever since. Inspired by life experiences and the surrounding environment, Brendan composes a heartfelt sound imbued with intimate chords, melodic vocals and simple yet contemplative lyrics. His infectious harmonies will remind you of the loved blanket you slip around your shoulders on a chilly fall night. In January 2005 he teamed up with friend Frankie Holthouse (Plug-In Studio) to record *Better the Second Time*, his first solo EP. In the fall of 2006, Brendan himself recorded and mixed his debut full-length record *Listen With Your Heart* [mastered by Mike Nau (Page France)]. Playing at well-known venues in Chicago such as Schubas, Beat Kitchen, and Subterranean has enabled Brendan to establish himself as a respected musician. He has shared the stage with popular acts such as Nicole Atkins the Sea, Bowerbirds, Phosphorescent, Joshua James, Golden Shoulders, Charlotte Sometimes, Rue Royale, etc. His websites (myspace, purevolume, virb) provide a nice place to sit back, relax, and listen to his latest work of art. Currently Brendan is writing/recording as much as possible and plans to hit the road and tour. You can find his current record *Listen With Your Heart* (2007) on iTunes. *Until We Meet Again* is a collection of lo-fi demos recorded/mixed by Brendan soon after they were written. People who are interested in Iron Wine Grizzly Bear should consider this download.
