Classic Rock, BLUES: Guitar Blues Details: ***** ALL

GOOD THINGS is the latest release by EDISON LEE: A mix of classic-rock inspired tunes, bluesy tracks and some country and southern-rock ballad influences as well. Very well received by newspaper reviewers with comments such as: "Exceptionally professional both vocally and instrumentally", "This retro-journey flies like an eagle", and "From the country-rock of THINKIN' OF YOU, to the southern-guitar crunch of ILLUSION, this will have you reminiscing about groups like The Eagles and .38 Special".

CAUGHT IN YOUR SPELL and SINCE YOU'VE BEEN GONE have received airplay on Blues Radio shows in the USA and Europe. ALL GOOD THINGS is a little harder blues-edged-rock and THE SECOND HALF is a positive blues song about starting over. This project has lots of vocal harmonies, some nice guitar work by Greg Greenlee, as well as a bit of B-3 organ, piano, pedal steel and even a sax solo. There are a few styles here, classic rock, blues country-rock... blended together. This is the second effort for singer/songwriter/bassplayer Edison Lee Hornung. He is honored to be an endorser as well as dealer for Lakland Basses of Chicago. (Lakland.com), "They are the BEST, and I can't thank them enough". This project is somewhat low-tech, and proud of it! No silly claims here.... It's priced at a painless \$9.00 so support new independent music.... GIVE IT A TRY!
