

## Mp3 Eric Miller - Hunters Run Inn

[DOWNLOAD HERE](#)

Acoustic folk rock. Ranging from ballads, alt.country, and americana. Nice blend of happy songs and sad songs. Has the flavor of Springsteen's Nebraska album. 17 MP3 Songs FOLK: Folk Pop, ROCK: Acoustic  
Details: Tired of trying to make the band thing work. Eric started to focus on his songwriting more. He'd been writing songs from the beginning, but never really found his style. Eric started to get more songs written that he actually liked and after a dozen or so he thought it would be fun to record them. So he recorded at home for about a year on nights and weekends and in the end he had twenty-five songs recorded. The more he recorded the more songs he came up with. After that he found someone to mix and master them and that's the story of Hunters Run Inn. People who are interested in Bob Dylan Nick Drake Ryan Adams should consider this download.
