Music always breaks barriers... like gravity. 9 MP3 Songs ELECTRONIC: Electronica, ELECTRONIC: Electro Details: Born in Ciudad Juarez, Chih, Mex., Ferrer had a strong motivation to start making music at a very early age and decided to change his residence to Mexico, city where he had the opportunity to work with alongside with the known musical director Ricardo Ochoa on his first musical material, which was never edited. However, his research ddnt end there and heads towards Barcelona, Spain for its large variety opportunities in the artistic field, in order to continue on the development of his artistics skills as a sound technician with a studio recording speciality as well master on musical production. Thus, during his stay in Barecelona he starts a career as a musical producer surrounded by great artistic figures such as Phil Manzanera, Carlos Cordoba (Charly Chicago), Manolo Aguilar, Carlos Ann, and many more. Its first recording gave him to work with producer Carlos Cordoba (Charly Chicago) who happens to be a very well known and requested producer by artists sucha as Enrique Bunbury, Jarabe de palo, Carlos Ann...etc and working with producers Howie B (U2, Bjork) Joe Dworniak (Radio Futura, Duran Duran) Ryan Geen (Offspring, Gren Day) Phil Manzanera (Roxy Music) Felix Da Housecat, etc.. Derived from the above both produce Nadias recording named, "this is my life". Do to his noticeable versatlity Ricardo is also hired carry out the musical production of the reknown fashion show "GAUDI" for the prestigious spanish label Cortana. Likewise, within the advertisement industry he was assigned to create musical background for important brand names like J&B, Lreal, Massimo Dutti, etc.... Within loreal he was in charge of the musical production "live show" in which he had the chance to work with opera singer Oscar Marin, who has shared credits with one of the most important opera singers of the last century Montserrat Caballe. He has also directed electronic music events for "ministry of sound" from the island of ibiza. The communication business in which music is an essential element and also in which various reknown artists

such is the case of Sean lennon The Gallygows, Mundo Furnatore, Profesor Angel Dust etc., among producers ,musicians, have worked. He was work and produce for agencies like sofa experience. His most recent production as a producer -author singer named EXCESO DE DIMENSIONES. Confirms his life philosophy like gravity low music always breaks down all barriers. Due to a brain stroke he was put under urgently intervention and and this is why he had to return to mexico city after a 5 year stay in Barcelona. As he cant stop making music and composing, he is recording his second album right know with the producer Ricardo Ochoa.
