Soulful Bohemian Funk 12 MP3 Songs URBAN/R&B: Soul, ROCK: Funk Rock Details: Forgotten Sol is a delicious blend of soul, hip-hop, latin and blues with a message so honest and passionate you feel it first and then think about it. Formed in 2001 by vocalist Cristina Orb and guitarist Dan Moore, they've now expanded to a 5 piece band with drummer Chris Stromquist, bassist Justin Cayou and 2nd vocalist SoulChilde (aka knomod). The combination of their unique styles and raw delivery has attracted an ever growing fan base and pushed them to play larger venues including the Crocodile Cafe, Chop Suey and an event at Town Hall featuring Bill Frissel and Democracy Now's Amy Goodman. This dynamic ensemble creates a live show experience that is breathtaking, electrifying and unforgettable.
