Details: Ghattobillies play everywhere. Bars, restaurants, nightclubs, festivals, parties, you name it, they play it. Because of the wide scope of musical styles incorporated into the very essence of the band, Ghattobillies are one of the only unsigned bands in the midwest that can play 3 full length sets of all original material where the audience dances, laughs and sings along. The band is now sitting on a mountain of back catalogued songs. Topping over 75. And all are regularly requested, sometimes the same songs twice in one evening. Word is spreading. One of their songs has even been sung on The Howard Stern Show in New York by a hack named Johnny Mud Mudman claiming it to be his own.
