Atmospheric Songs Details: Inc12 is a electronica and pop unit with Feriado, Akiko Yanagisawa and our friends. Feriado is a composer, arranger, programmer, keyboardist and percussionist. Akiko Yanagisawa is a singer-songwriter. She composes her original songs and sings bossa nova in Portuguese. We had released pre-release album 'Portfolio' on the internet. 'Atmospheric' is the first full album for me. 'Portfolio' and 'Atmospheric' jacket's photo were shot by Miho Kakuta. She is active on many markets. We love her photos very much.
