Details: Jimmy Santis is a singer-songwriter from Astoria, New York writing songs for film, contemporary Christian music and mainstream pop. HUCKAPOO, a teen girl group which is currently on a U.S. tour is recording one of his beautiful ballads titled, A Girl Can Dream. This is now the 5th time this song has been released in the last 6 years! Other recent recordings of the song were by NINA (Warner Music/Philippines) who was voted MTV's Best New Artist last year. The song went to Number "9" on the Philippines Top 40 Charts. It was also in the film CENTER STAGE (Sony Pictures), recorded by Epic recording artist PYT. New teen-pop sensation TAJA will be releasing two of his songs on their debut album. The songs Soho Tokyo and I'm Not Scared are radio-friendly hits that the girls are performing on their current tour with Jordan Knight. His contemporary Christian single, Perfect Love, was recorded by GO FISH (Inpop/EMI), and was a popular favorite, getting heavy rotation on radio. He also had a single titled, Dime La Verdad with Popstars artist ALEX on Vale Records in Spain, whose album charted in the Top 40. In addition, Jimmy had the title track for the album Heart Of A Champion recorded by CARMAN (Sparrow/EMI Records) which went to # 1 on Billboard's Christian charts. He has enjoyed several Top 10 hits overseas in Spain and Denmark with Internationally known recording artists SANDINO and SOREN SKO.
