Relentless, straight-forward, self-deprecating, crate-loving, bare-knuckle hiphop. 14 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Alternative Hip Hop Details: Joe Fix is an artist to take notice of not just for his captivating and booming voice, but for his honest, self-deprecating, and original view. With tracks ranging in subjects from; insomnia, dating, being a "nobody", having a "superhero complex" and the struggles of an artist for hire. A graduate from Columbia College Chicago in 2002, he has been a freelance designer working closely with many other artists collaborating on music and graphic / illustrative layouts. Since then, he has also been performing his own music around Chicago as well as Iowa and Wisconsin. The album Open 24/7 was produced by DJ Alo for Garden Music. Alo believed that with his crisp, underground crate-loving production, and Joe, with his irreprehensible straight forward delivery, they could come together and make music that's bare knuckle hip-hop. Fix has creative, introspective stories about his life that only shine over the immaculate style Alo has become known for. Definitely for fans of Atmosphere, Def Jux, Jurassic 5, Sage Francis, Murs and Madlib.
