Johns Songs are mellow and reflective with lovely tunes over juicy chord changes and an uplifting jazz/rock feel 10 MP3 Songs EASY LISTENING: Soft Rock, ROCK: Acoustic Details: I write and play,therfore i AM! I played french horn for many years but soon realized its much easier to play piano to make a living and thats what i do still. Jazz is the thing for me now.This selection of songs reflects my life over the last few years i suppose,but i worry too much about lyrics and am going to stay with jazz from now on. This is a clearout of songs!They are sincere and i like to hear them now and then but you will tell me if they are any good!
