Sax powered rock roll... jumpin' swingin' R&B 10 MP3 Songs BLUES: Rhythm Blues, JAZZ: Swing/Big Band Details: ... This is quite simply a terrific recording, The rasping sax playing and the heavy handed honky tonk,boogie woogie, style on the Piano cannot fail to set the feet tapping and conjure up pictures of the Jive. This is something I have not heard in years from contemporary Musicians, especially as virtually all the tracks are brand new. Brilliant! full marks to all concerned. I look forward to Mr Ferriera 's next C.D. John Reid KCR 102.8 FM Baffshire, Scotland ... I love this cd. Reminded me of the style of Louis Jordan with the swinging sax solos. Fun, toe tapping music and nice to see that he is Canadian. Continued success! The songs are in rotation on the station and I know the listeners are enjoying them. Brenda Budd Swing2Jazz Montreal Canada ... Massive record. Love it and even our listeners want to hear more of this guy. Jacques Jongmans Netherlands Dutch Coast Radio
