

Mp3 Some Say Leland - Fifty Miles Into The Main

[DOWNLOAD HERE](#)

Experimental Folk, Lyric-Based, Dense Instrumentation, Noise 14 MP3 Songs in this album (56:40) !

Related styles: FOLK: Modern Folk, AVANT GARDE: Experimental People who are interested in Bonnie Prince Billy Califone Andrew Bird should consider this download. Details: "Fifty Miles Into The Main" is the second full-length album from some say Leland. It marks a distinct change from their earlier material, with the approach sometimes seeming very modern and experimental, while the songs themselves still remaining very much a part of the folk tradition. "Sad and sublime folk." - The Austin Chronicle "Some Say Leland has a gem with their latest full-length, Fifty Miles Into the Main...These are solid, gorgeous songs, American roots music at its best...This CD is a must-have." - Laurie Gallardo - KUT - Austin Music Minute "With vocalist Dan Grissom's versatile baritone paired with all-around excellent musicians, Some Say Leland has the skill to evoke a multitude of different moods and styles." - The Daily Texan "Its palpable affection for the cleansing power of folk should delight fans of fellow modern-day traditionalists like Will Oldham or Andrew Bird." - A/V Club - The Onion
