Great Pop/Rock songs with catchy hooks in the style of Rob Thomas, John Mayer, and Coldplay. 7 MP3 Songs in this album (29:18) ! Related styles: POP: Pop/Rock, ROCK: Adult Contemporary People who are interested in Coldplay John Mayer Rob Thomas should consider this download. Details: Steve Gregory's second release "Because I Can" is filled with even more great songs showing his maturation as a pop songwriter. Every song has been tailored around great chorus hooks and lyrics. You'll love it! This is an indie album that sounds more like a polished big-budget release from a larger label. And by indie I mean that, in the ultimate sense of the word, Steve Gregory produced everything on here by himself with no backing from any label or management of any kind. With the help of Steve Cioppa on the drums, Mike Kuchkinski on various bass tracks, and Seth Z. on organ (trk. 6), this is more than just an "indie album." It's a chronicle of a songwriter/musician who is not content with mediocrity.
