An urban smooth jazz cd to relax your ears and mind 10 MP3 Songs JAZZ: Smooth Jazz, URBAN/R&B: Funk Details: Another St. Louis connection, although we never worked together until 1992 here in Las Vegas. We started gigging and working on original music. Finally in 1997 the thought of starting an independant lable came in to play. Our goals are now set to write music for a variety of concepts and promote them through live performances. We both have been very blessed to recieve music equipment endorsements radio support. We both thank our families, everyone involved in this project and most of all christ, our lord savior for without either none of this would have been possible. This is our commitment to taking the music we write to "ANOTHER LEVEL" STEVEN BOYD - ROCHON WESTMORELAND
