Music of prayer and ecstasy from the legacy of Murshid Sam Lewis that flowed through the San Francisco sufi community in the 1960s and 1970s. 16 MP3 Songs WORLD: World Traditions, CLASSICAL: Contemporary Details: The powerful music of praise that flowed through the heart of the San Francisco Sufi community in the 60s and 70s was originally released on several LPs and cassettes. "The Best of the Sufi Choir," a collection of sixteen songs, was released in 1994 as a CD, but has been out of print for many years. The collection is now available in a beautifully designed new edition. The legacy of Murshid Lewis, his teachers, and his teachings, can be experienced as a clear ocean of sound, sometimes intricately patterned, sometimes sing-along simple, always deeply intimate.
