Porter-Cable 892 2-1/4-Horsepower Router

Published October 13, 2012 | By admin

Porter-Cable 892 2-1/4-Horsepower Router

Soft-starting, 12 Amp motor features full-time electronic feedback that maintains motor speed through the toughest applications. Variable-speed control feature (10,000 – 23,000 rpm) enables bit speed to be optimized for changing applications. Release the motor, adjust bit height, and clamp the motor from above the router table with 3/16-inch hex socket (sold separately) or model # 75301 kit (sold separately). Gripac base only. Dual-position switch allows user to cut power while maintaining control of the router. Overmolded grips for greater comfort in extended use. Spindle lock feature allows for single wrench bit changes.

Great for woodworking projects, the Porter-Cable 892 Fixed-Base Router Kit offers powerful, smooth, reliable operation from 10,000 to 23,000 rpm. This easy-to-use tool lets you unlock the base and make a variety of depth of cut changes from right above the router table.

Powered by a soft-starting, 12 amp, 2-1/4-horsepower motor with full-time electronic feedback for constant speed under load, the 892 can cut through molding and hard woods with speed and efficiency. For versatility, the motor moves easily between bases.

Above-Table Changes Save Time and Effort

The 892 offers the versatility and time-saving ease of above-table changes. In seconds, you can release the motor, adjust the bit height, lock the spindle, and clamp the motor from above the router table. Just use a 3/16-inch hex socket.

Design Features for Quick Changes and Adjustments

Designed for productivity, the 892 offers a range of helpful, user-friendly features. A dual-position switch allows you to cut power and yet still maintain complete control of the router with both hands still on the rubber coated handles. Bit changes are also a snap thanks to a spindle-lock feature that enables loosening of the collet with a single-wrench. A durable cam lever allows for quick, coarse depth adjustment and motor release.

Dimensions and Warranty Information

Weighing just 9 pounds and measuring 12 5/8 inches in height, the 892 is easy to handle and hold. It comes with 1/4- and 1/2-inch collets, a collet wrench, and a carrying case for easy portability.

The Porter-Cable 892 Fixed-Base Router Kit is backed by a three-year warranty.

What's in the Box

Router motor, fixed base, 1/4- and 1/2-inch collets, collet wrench, carrying case, and operating manual.

Want a popular physical product niche with lower competition? This is the one for you. We put together a complete amazon store that is dedicated to woodworking routers and everything that goes with them. It's pre-stocked and pre-loaded for you, it's ready to go, and make you some niche commissions. I'm sure I don't have to tell you that the woodworking niche is huge and it's also highly profitable. This market has proven to spend money on their favorite past time and they will pay good money for the right tools. As a avid woodworker myself, I can tell you that a router is one of those tools every serious hobbyist has in the shop. Add to the fact that many have more than one unit. Better yet, there is an almost endless selection of parts and accessories, from jigs to tables and so much more. Also the fact that bits wear out and need

to be replaced. You sure won't run out of products to promote in this niche. Here is your opportunity to cash in on the highly popular and highly profitable niche of woodworking routers. You'll also make bank because routers and their accessories are not cheap, they are higher priced products which means bigger commission checks for you! You'll be getting a store fully stocked with over 660 router and router related products directly from the shopping giant Amazon. This is your profitable opportunity to own a ready-to-go sales machine with little mess or fuss. We did the work so you don't have to. It takes only minutes to add your affiliate link and you'll get the commission for every sale from the site. Best yet, since the website is stocked with amazon product affiliate links, when your site visitors click a link and buy, you get a commission on what ever they purchase. Not to mention, amazon handles everything, you don't need to deal with shipping, payment or customer service, Amazon handles all of that. You can spend your time on more important things like driving traffic to the website and collect commission checks. You'll also be getting a brand new theme and layout we made just for this site. It's something you will not find anywhere else but here. Grab it fast so you can have the exclusive. This site comes with everything related to woodworking routers and then some. Practically every related product has been hand picked to provide a complete, one-stop shop that's ready to make you affiliate sales in big numbers. The site comes with 36 Woodworking Router categories as follows: Black and Decker Routers Bosch Routers CNC Routers Dewalt Routers Dovetail Jigs Dovetail Router Bits Festool Routers Freud Routers and Bits Hitachi Routers Makita Routers Milwaukee Routers Overarm Routers Porter Cable Routers Raised Panel Router Bits Ridgid Routers Rockwell Routers Rotozip Routers Router Bit Sets Router Books Router Carving Bits Router Compass Router Cove Bits Router Flute Bits Router Guides Router Lifts Router Ogee Bits Router Profile Bits Router Tables Router Template Guides Router Trim Bits Ryobi Routers Skill Routers Straight Router Bits Triton Routers Variable Speed Motor Controllers Of course there are many ways you will be profiting from your new Amazon Router PLR Store web site, there are other ways you'll be cashing in... Revenue Model: 2 spots for adsense ads built right into the website, these ads show on every page of your new website. When your visitors click on those ads, you get paid. Simple enough. And of course, over 660 (668 to be exact) router and related woodworking amazon products already pre-loaded into the site for you. We've done the leg work for you. Saving you a TON of time. It's also very simple and quick to add your amazon affiliate ID, it usually takes about a minute if that. You'll also be getting to clickbank woodworking related ads pre-loaded into the site for you. We added them to the

sidebar so they show on every single page of the site, giving your ads the highest viability and the best chance of you making sales. Remember as well, it's your site, you can change anything on the web site, even if you want to use different advertising companies or different ways of profiting. It's completely your choice.

Website Core Features: Google Analytics to track your traffic and see what your visitors are doing on your new site. Content Preloaded, products are built into posts, which means over 660 web pages on your website for the search engines to find and possibly rank. 5 built-in video pages dedicated to routers for woodworking and related how-to, including the following:

- * Router Dovetail Videos
- * Router Jig Videos
- * Router Joinery Videos
- * Router Tip Videos
- * Router Videos

These video's are embedded and play right on your website, no sending you precious visitors somewhere else. It also adds more reasons for your visitors to spend on your site and it gives them a reason to come back. Video's are also informative and how-to in nature, which means there is a much better chance visitors will return to your new PLR website.

All the Plugin's are Pre-Loaded and installed for you. RSS Feeds to help with search engine ranking and link building. Built in social bookmarking with Sexy Bookmarks, a very professional social plug-in, that can help spread the word about your site and bring you even more buying visitors. Social bookmarking built-in makes it easy for your visitors to post your webpages to Facebook, Google+, Pinterest, Twitter, StumbleUpon, Squidoo and more. You can even set up the social buttons you want with a load to choose from, over 80 in total, covering just about every popular social network. We've also included a privacy page, which is becoming important these days, even more so with Google. Your site could be the Routers for woodworking super store website that people return to over and over again, which means a good chance you'll make more sales.

Gain the Advantage in the Search Engines with these Built in Features: A quality built-in Site Map so the search engines can find all your pages easily. The option for Search Engine Friendly URL's so your pages will have a better chance of getting ranked in the search engines. Also 100's of related product related product tags (over 1,200), means even more pages on your site for the search engines to find and possibly get rank! It's so EASY to use... The site runs on the Wordpress platform (all files included, Version 3.4.1), so you know it's super easy to maintain, edit, change, use and add new content. It's just a matter of point, click and type.

BONUS: We've even included a report that explains how to profit from your new site including traffic generation topics. Once installed (complete install instructions are included), you will have full control over the site, which means you can change or edit the site anyway you want. For most people it's a 20 minute installation. You do need to supply your

own domain name and hosting, other than that, everything else is included, including all the website files, everything you need. Product Rights: [YES] Can sell Private Label Rights Items.
