Someone To Crawl Back To is a novel-in-stories, a collection of hearts in search of what they've always wanted or what they've eternally lost. Set in small town South Carolina, those hearts belong to wrecker drivers, drive-thru fast food workers, college professors, bartenders, insurance and mobile homes salesmen. Their common ground is The Paradise Lounge. The death of a marriage, Joshua and Rene Serverance's, forms the spine of the book, but included in this small community of seekers are George Scarborough and his softball-playing wife; Evander Baker, who helps his sister bury a bag of chocolate chip cookies near the septic line; and Warren Oxendine, whose wife buys a vibrator at a yard sale. Structured more like a Robert Altman film than a traditional novel, reading Someone To Crawl Back To is like going to The Paradise Lounge for a drink, slipping inside a patron's skin, going home with that person, then coming back to The Paradise and leaving with another sojourner of love. This book is also available in print. You can order it through your bookstore. BOSON BOOKS also offers the play Necessary Evils by Phillip Gardner. For an author bio and photo, reviews, and a reading sample, visit bosonbooks.com. Author: Gardner, Phillip Publisher: Boson Books Illustration: N Language: ENG Title:
