A solar flare envelopes the Valley, passing through the settlement and changing its people forever. Raj, the quiet, fearless leader, and his family live separately from their tribe beside a tall cliff face. Over the coming New Moons, Raj and his family begin changing, developing great speed, strength and enhanced senses. And with the New Moons come new cravings. They begin to long for the flesh of the animals they have sought to protect for countless generations. Forced to leave their tribe for their horrific behavior, the family starts out on its own, only to grow more animal-like themselves as the New Moons pass. And Raj's grandson, Sal, begins hearing "the Voice," which sets him on the path of darkness. It's not until after a long sleep that Raj realizes what he and his family have become...vampires. Saan Orion resides in Brisbane, Queensland Australia where she works as an administration officer and lives with her supportive husband, her two cats, three dogs and three birds. She is currently working on her second and third book.
