The third edition of A Hedonist's Guide to London is the definitive guidebook to all that is hip and happening in London at the moment. Researched by one of London's top style and fashion journalists, the guide opens up a roster of secret addresses, neighborhood restaurants, underground clubs, the most interesting of shops and boutiques, and features 200 of the city's hottest addresses. Designed for intelligent travelers, it eschews spoon-feeding the reader, instead allowing them to decide their own itinerary, safe in the knowledge that every recommendation is carefully and deliberately hand-picked. With a new and tactile design, colorful jackets, and a host of plaudits that span the globe, the Hedonist Guide series is well known for its independence, integrity, and irreverence.
