

Acrylic Solutions: Exploring Mixed Media Layer By Layer - , Julie Prichard

[DOWNLOAD HERE](#)

Fresh new ways to create fabulous paintings with mixed media techniques! Acrylic Solutions provides the "hows" behind a multitude of effects you've admired in other artists' works--and then some! Based on the popular online teaching collaboration of Chris Cozen and Julie Prichard, this book illustrates a wealth of layering methods and techniques. Mix and match to achieve countless variations, building layer upon layer to create unique and wonderfully complex abstract art. Learn more than 30 step-by-step techniques for developing texture and visual interest, including collage, monoprinting, carving, color blocking, paint skins, raised stencils, glazing and so much more. Chapters explore the phases of a multi-layered painting, from surface preparation through adding structure, developing complexity and adding finishing touches. Follow the development of two paintings as each layer adds to the finished result, with tons of additional artwork throughout. Gain insight on how to make paints, mediums and grounds work for you. Embracing a spirit of freedom and spontaneity, Acrylic Solutions is a stimulating guide for contemporary artists of any skill level. Beginners will learn how to make visually compelling paintings from start to finish, while more experienced artists will find the tools and inspiration to take their work to the next level.
