Supernatural Bonds, Book Eight Though he has no intention of shackling himself to a female, Tielo has devised a poker invitational to bring potential human mates to Drake's Lair for his fellow dragons. Club co-owner Pierce has also set a plan in motion-to see his partner mated. When their two schemes collide in the shape of Lyra, smoke and flame result, literally. For Lyra, the invitation to an evening of high-stakes poker is the answer to a prayer and her chance to help a family in need. But her confidence wavers upon entering Drake's Lair, where the male members role-play as dragons and brazenly display their sensuality. None are as dangerously distracting as Tielo. The gold-and-silver "dragon" could be her downfall, and not just at the poker table. Because despite his attempts at denial, overwhelming need and lust blast Tielo the instant he meets Lyra. He'll have her beneath him before the night is done, his essence inside her, his claim undeniable. For dragons, mating is no game...and Tielo is playing for keeps.
