

Empirical Problems And Perspectives Of Music-based Town And Metropolis Research: Klagenfurt As Case Study - Nico Thom

[DOWNLOAD HERE](#)

The following article is intended to point up a few of the empirical-methodological problems which arose in the course of a small case study. This can at best lead to further comparable or larger studies. As a minimum the text will have achieved its goal if it clarifies the initial thinking behind a concrete, music-based town study, i.e. if it reveals clearly the first steps to be undertaken in such a study.

Considerations of the method and of the methodology of such studies will replace a more comprehensive analysis of the data gathered in the actual case study. Author: Thom, Nico Publisher: GRIN Verlag
