IRS TAX DEBT SETTLEMENT

IRS Tax Debt Settlement

Objective

In simple to understand language , easy to use, step by step guide to settle your IRS tax debt. This guide includes the IRS forms you will need to request your tax debt be settled for less than what you owe.

I personally was able to successfully settle my \$ 8800.00 tax debt for \$2250. Yes ! 25% of what I owed. tax years 2007,2008,2009,2010.When deciding your Tax obligation the IRS takes into consideration

An offer in compromise allow you to settle your tax debt for less than the full amount you owe. It may be a legitimate option if you can't pay your full tax liability, or doing so creates a financial hardship. The IRS considers our unique set of facts and circumstances:

1. Do you have the ability to pay ?
2. Do you have sufficient income ?
3. Your expenses
4. Asset equity

The IRS generally will approve and offer in compromise when the amount offered represents the most they can expect to collect from you in a reasonable period of time. Before an offer can be made be sure all your fillings are current. You are not eligible if you are in an open bankruptcy proceeding, your tax debt responsibility will be explained to you by that judge.
