Monumental Round, Tricky, Air, Emiliana Torrini, Jeff Buckley, Trespassers William, Kate Bush, Annie  
Lennox and Enya. Out of the darkness shines a hint of hope with ALU's debut CD "Infomercial Gasmask."  
Her 11 song mood piece is a blend of solid songwriting, dark electronica and crystal clear vocals, an  
intense mixture of jazz, pop and classical music that can only be described as "ALU." This collection of  
songs examines the destructive nature of modern life and its damaging effects on the fragile human  
condition. ALU's apocalyptic lullabies give hope and strength in such desperate times. A haunting yet  
healing voice that challenges and inspires. ALU is the sound of the future. "Infomercial Gasmask"  
features collaborations with electronica dub artist Doctor Echo, virtuoso string arranger Hiro Goto and the  
legendary sound engineer Geza X. All songs are written and performed by ALU. Also, ALU's jarring single  
"Asphyxia" is featured in the Babcock Jedeikin independent film "Out of Body." What the press is saying  
about ALU's infomercial gasmask: "A dark shaded masterpiece." -trip404.com "Infomercial Gasmask  
makes doom and decay sound sexy and ethereal." -music connection magazine "Shades of Portishead at  
their peak and Tricky's urban paranoia...A chilling echo of our times. This is a remarkable and  
accomplished debut." -luna kafe e-zine "A kind of apocalypse where even desperation and desolation are  
beautiful." -shedivine and existence libertine "Alu beautifully reflects the darker side of modern

metropolitan life." mean street magazine "An all-expenses-paid tour through that dim twilight land between sleep and waking where beauty and fear still roam free and unshackled." -cdreviews.com "This album is a fragile self-examination that will leave you feeling haunted by the poltergeists that surround such frantic moments. Tori Amos and Monumental Round had a baby and they call it ALU" smother.net "An intriguing dark vision of a dangerous modern world." -ectoguide "Her otherworldly vocals are addictive. I want to inhabit her world, even if it's a wasteland." -the covalent bond "An album of vocal beauty." -mediasearch "ALU's voice has the quality of a taut rope being pulled by irresistible forces, simultaneously fraying, unraveling as it also keeps from tearing apart." -kapowie zone "I imagine that every time I hear this CD I will pick a new favorite. Go get this CD already...really and play it loudly. MMMmmmm....." collected sounds ALU is also available on iTunes. For more info on ALU, please visit [alumusic.com](http://alumusic.com).
