An r&b experience where Celine and Aretha come together. 10 MP3 Songs EASY LISTENING: Love Songs, URBAN/R&B: R&B Pop Crossover Details: Carla started singing when she was 6 years old in her church in Dallas. She has more writing talent than any singer I have known. She can belt out a song at the drop of a hat. She can write one as fast also; she sounds great with a band or alone. Take her cd for a test drive; I promise you won't be disappointed.
