Raw, earthy, honest music; guitar based and Christ-centered. 14 MP3 Songs

**BLUES:** Acoustic Blues, FOLK: Folk Blues Details: With a passionate love for Jesus, and a call to bring the Word of God to those who will hear, Christopher Ames uses music to get to the heart of our faith. Christopher blends the raw sounds of an acoustic guitar with honest lyrics born of a life filled with both thorns and grace. A note from Chris on the inside cover sets the stage for this collection of songs, "Believing beyond the shadows is more than a CD title for me. It represents the way Christian faith must be lived out in this fallen and scarred world. If I am honest and look at my life, even in Christ, I must admit that there are problems - pain and disease and unanswered questions. And yet, even in the turmoil, there are threads of grace and hope that run through history, through life, through our hearts. There is a light that is stronger than this darkness and even when I can't see that light, I continue believing beyond the shadows."
