He's Back. Super producer and Black Star Record artist CR, is almost finished with "Love Operetta" his "DOUBLE" cd, about the travails of LOVE. So until then, he has taken 8 hot finished tracks and put them on this sampler. Promo priced 8 MP3 Songs URBAN/R&B: Soul, HIP HOP/RAP: Hip Hop Details: Love operetta, is the new cd to be released by Black Star Record founder and artist, CR. With the release of SOULPLAY-URBAN MELLOW and CR...The introduction, CR had his hand full with the promoting of those highly successful records. Soulplay "urban mellow" has already topped 19 thousand units and still going world-wide. CR...The introduction, the companys first release, has topped the 20 thousand unit mark (as of jan.2004)not bad! Love Operetta, is just that, a short story about love.We recorded the record the way we used to record on tape(HOT AND LOUD)so as to get the most bass that we could.We wanted classic sounding tones to go with CR's guitar work on this record.Once again, as always,CR, IS ON HIS GAME.Delivering the goods on all tracks and leaving you wanting more.My style has always been compared to the Isley Bro. and Bobby Womack, say's CR.I think it's the guitar work that makes people think of the ISLEY BROTHERS,along with sensual lyrics. The "VOICE",definitely makes people think of BOBBY WOMACK, unless i'am in my SMOKEY ROBINSON mood. Not a day goes by, without me recieving an e-mail from some producer wanting a song or two, that they have heard from on-line sites or from word of mouth.We currently have 4,Yes,FOUR SONGS on movie and television SOUNDTRACKS. Love operetta, isn't finished yet, but we have 3 songs on the radio.(hip-hop flavored) "love you like crazy". A song to be sung on VH-1 DIVAS "I wanna be yours" and 6 other tracks on what we call simply "CD SAMPLER". So grab a copy and tell us what you think. Blessings, PROMOTIONS MANAGER Staci Willis
