[DOWNLOAD HERE](#)

Straight up guitar driven funk, punk, folk rock. 11 MP3 Songs ROCK: Modern Rock, ROCK: Funk Rock

Details: This is the first release by Forever Strange, a three piece rock band from Harrisburg

Pennsylvania. Blending and fusing together musical influences ranging from classic rock, jazz, heavy

metal, punk, funk, and folk - resulting in this explosive guitar driven album. From angry rock such as "Fear

of Nothing" to a heart wrenching ballad "Thank You" - the range of emotions captured on this album is

phenomenal. Utilizing anecdotal stories from life, humor, and social commentary - it will become clear that

there is a message coming from these three dudes from Pennsylvania - 'Stay Forever Strange'. Don't

take my word, take a listen to the soundclips yourself or visit foreverstrangeand you can hear 4 full length

songs.
