Los Angeles underground hip hop at its finest. This 5-song EP manages to capture the variety of styles this underground lyricist is capable of. Check out the song that has all the "Big Girlz" out there going wild... 5 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hip Hop Details: Southern California underground hip hop artist bringing the scientific flows. This lyricist manages to shine regardless of whose tracks he appears on, but he really stands out on the abstract, underground bangers. One more thing: He has vowed to ALWAYS give the "Big Girlz" the respect they deserve. Currently working on a solo album, this member of the Los Angeles underground rap group Geographic Empire has worked with other independent artists as well--from the Inland Empire - based rap duo FEAR (BMW and Analyst), to other Southern Cal underground products such as Profetic, Ink Rezin, Yeski Aleem, Mystro and Mane Azeem. Jadox has also worked with some of the elite LA producers, including Gil Cutty, Jondoe and DJ Lord Ron. Stay tuned for bigger and better things from this emerging artist...
