***** Jonathan Dunn has a heart for God and a desire to be effective in ministry, and to reach all people through the gift of song. Jonathan not only sings, but also preaches the word of God. He writes, sings, and is the producer of his self-titled CD, Jonathan Dunn and Faith Ministries, as well as, Still Got It, Another Level, and now his most recent release "And Another Level" which was released in July 2005. In addition to writing his own music, he has penned a number of songs for Marvin Sapp, which would include the smash hits; "Standing on the Rock" also featured on Wow Gospel 2003, "Praises", "Miracles" and now the title song "Be Exalted" on Marvin's 2005 release. Jonathan has also been blessed to minister in song with Hezekiah Walker, Commissioned, Fred Hammond, Marvin Winans, Marvin Sapp, John P. Kee, Byron Cage, Kim Burrell, the late James Moore and many other professional artists. Jonathan has also made several appearances on TBN as well as other local and national television broadcast networks. Various styles and types of music influence Jonathan. His commission is to spread the heart of God to man and encourage them to give their hearts to God. By faith, it is his venture to be a World Changer. "Sounding brass and tingling cymbals will not change the world, but if Jesus is lifted up, He will draw all men to praise and worship Him, in the spirit of true holiness."
