## Mp3 Lavish Green - Te-cush-ne-la-wa

## **DOWNLOAD HERE**

A high energy five piece out of South Lake Tahoe, but all crazy, ya' know!? Heavy rock with hard beat and up beat pop riffs and many influences 5 MP3 Songs ROCK: Hard Rock, ROCK: Funk Rock Details: Based out of South Lake Tahoe but calling the world their home, Lavish Green has embarked on a lifetime of music, always doing what it takes with the sounds they create. Hard work, focus, commitment, sacrifice, love, blood, sweat and tears are just a few words that describe this original four piece. With the new Lavish Green CD comes a whirlwind of hype. The songs bring catchy rock hooks, soaring melody lines and outstanding musicianship. The c.d. has already made it's way to worldwide TV coverage for many extreme sporting events on ESPN, ESPN2, NBC, and FOX SPORTS NET. Lavish backs up their c.d. with every intense show. They push the envelope leaving their fans waiting and wanting more of the Lavish Green experience. Playing 180 shows a year covering the entire west coast and inland, the Lavish machine is well oiled with all pistons firing leaving it's tracks behind. Whether its Sanch with a voice and heart big enough to speak to the world, Robbie with a deep soul and passion on bass, Joel with his fiery guitar riffs or John pounding the drums with the strength of ten men, Lavish Green will infect you with their style and leave you undeniably inspired. "This CD was a rad experience for us to make and it is opening a lot of doors for us. We're STOKED on it!"
