Folk-Rock from a man who has spent his life traveling 15 MP3 Songs FOLK: Modern Folk, ROCK: Psychedelic Details: I'm a 35 year old folk singer/songwriter. I've spent most of my life traveling around this beautiful country of ours. All compositions are original and recorded in my home studio. The music is a reflection of the way I see this life, and some of the people I've met. Love peace, Lee
