

Mp3 Mark French - Kids Rap & Rock

[DOWNLOAD HERE](#)

These are a collection of really cool and fun songs. From R B to Skynnard, kinda. You'll love it..... 18 MP3 Songs KIDS/FAMILY: Children's Pop, HIP HOP/RAP: Hip Hop Details: If you have kids, you'll love this cd. From preschoolers to high school, hundreds of kids, (students) have sang these songs. I have been a music teacher for over a decade and have found that students really respond to singing stuff they love. These songs cover a wide range from nice and cute, to "wat-up, yo" and toss in a little rock. These songs will be as catchie as "Mary had a little lamb" over time, there's no doubt. Check it out, you won't be sorry! These songs are great for school programs or singing down the road and makes a great BIRTHDAY GIFT. With all the cuts made to music programs in our schools, let's keep the music rolling by supporting your music educators. Enjoy and KEEP ON SINGING!!!
