[DOWNLOAD HERE](#)

Melanie Devaney's music is like an organic picnic in a city park. Folk, rock, country and something in between, she puts uses poetic lyrics with lots of nature imagery combined with unique melodies and chord structures. 5 MP3 Songs in this album (19:44) ! Related styles: COUNTRY: Americana, POP: Pop People who are interested in Emmylou Harris Kris Kristofferson Tift Merritt should consider this download. Details: Melanie Devaney is an intuitive and unique songwriter whose lyrics and melodies embrace the spirit of rural America with an ironic poetic polish and cosmopolitan flair. Her achievements include winning the 2007 Colgate Country Showdown as sponsored by 98.1 FM KHAK radio station in Cedar Rapids, Iowa. She also won an honorable mention for her song Right Here On the Farm in the 2006 Mid-Atlantic Songwriting Competition. She has entertained audiences at Tucson Folk Festival, Cheyenne Frontier Days, the Midwest Old Threshers Reunion and the Sturgis, South Dakota Black Hills Bike Rally. Her first CD, Cadillac Daddy, released in 2006 under the artist name Melanie Sue Mausser, proved her as a serious songwriter and musician. Her new album, "Happy, Lucky, Lost Free," released in December of 2008 was produced by Ted Wulfers. It combines her amazing lyrics and vocals with his unique production style to provide a toe-tapping, fun listening experience for all ages. The strength of Melanie's music lies in her ability to create melodic twists that stay in your head for weeks. Drawing heavily on poetry techniques and relying on her background in creative writing, Melanie's songs are snippets of stories and images that take listeners to new places. Melanie's music is a mix of country and city. As one listener put it, "Listening to Melanie sing is like having an organic picnic in a city park."
