Electronic Dance Rock 5 MP3 Songs ELECTRONIC: Dance, ROCK: Modern Rock Details: This is ELECTRONIC DANCE ROCK! Truth Be Told by MESH This is the sound that makes all others disappear! True New York City grit from the heartland of the city. I can tell you that this sound will bloooooow you away. It defies categorization, but for the title above, which means push, pull and shove but don't forget to show love as I show love for this city-my city, the one I grew up in, where I learned about the world and now sing its peculiar truth over a hard rock groove and defy you not to dance as you shake, think and move. Now available on iTunes Physical copies not available Also, check out my myspace page for a video and free downloads: myspace.com/kingmesh
