In addition to embarking on its own tour and releasing its own independently-funded, full-length album, Hurry Up and Wait in June 2007, Mindsight has had the honor and the privilege of opening for national acts including Staind (for the 2006 Jagermeister Music Tour at Congress Theatre, Chicago), Stone Sour (for the 2007 Jagermeister Music Tour at House of Blues, Chicago), The Cult (for the Winter 2007 Jagermeister Music Tour at House of Blues, Chicago),

State Radio, P.O.D., The Phunk Junkeez, Ill Nino, Lacuna Coil, Soulfly, Dark New Day, Powerman 5000, Three Days Grace, Hurt, Soil, and Shadows Fall (among others). Further, although Mindsight released Hurry Up and Wait less than six months ago with a response that has been phenomenal, the bands creative juices ran rampant and they are thrilled to announce the release of their new 7-track demo "5 Minutes Later" in April 2008. Coupled with Mindsights new material, the band has not only continued to maintain its sponsorship with Jagermeister, but it has also piqued the interest of several entertainment industry representatives and attracted the attention of potential endorsers. Mindsight invites you to attend an upcoming performance-dates are provided on Mindsight's webpages. Only then will the true essence of Mindsights musical talent and riveting live performance be accurately reflected. We hope to see you at a show in the near future.
