Details: There is a fine line between genius and insanity, I have erased this line, said Oscar Levant, American pianist, composer, author, comedian, and actor (1906 - 1972); Some have said the same of the experimental pop sound which Patrick !Trip show-cases. From the beautiful orchestral pieces scattered throughout this album, to the odd mixture of bass-driven drum beats layered over the contrasting acoustic guitar, Patrick !Trip ventures to create music which combines a familiar sound with something slightly exotic.
