A story type song as if a country could or would be run by Larry, Curly or Moe. 1 MP3 Songs in this album (3:33) ! Related styles: COUNTRY: Country Folk Details: Randy Vail ,born in New Brunswick ,Canada. A retired Forest Ranger. I have other albums out on cdbaby ,however this is a one song deal/Any similarities to any situation,people,or things in this song are purely co-incidental.I have performed over four decades and have had several country bands.One great band was Country Clover. Current song writer and top producer in Nashville, Phil O'Donnell formed a part of this band ,also at one point, Joan Kennedy.I have played with many local musical icons over the years. I try to keep my song simple and to the point and more of a yesterday style.Thanks to all who buy and listen to my music.
