

## Mp3 Soulwire - Rewriting Destiny

[DOWNLOAD HERE](#)

Soulwire blends a cinematic style of New Age with mellow downtempo electronic grooves, blending acoustic guitar and woodwinds with electronic. It is a musical journal, written from experiences, symbolisms and concepts. 14 MP3 Songs ELECTRONIC: Down Tempo, NEW AGE: New Age Details: Soulwire is a fusion of a cinematic style of acoustic new age with mellow downtempo electronic grooves. From the strength of finding our calling in life to the lonesome echoes of a broken heart, each song carries a unique story. It is a musical journal, written from experiences, symbolisms and concepts, reflected in different perspectives. One part of Soulwire is entwined with energizing, pulsing rhythms and dreamy synths for the mind and body. The other part is interlaced with a cinematic, tranquil, and mournful reflections of our past for the mind and soul. The concept of Soulwire is to artistically interpret the life we live into shades of melancholic and introspective tones. If youre looking to reflect, or to relax then youve come to the right place.
