*****BIO***** KPK Records is a Hip Hop/R&B record label based out of Phoenix, Arizona, started in 1999 by Ssmooth. Ssmooth joined friends, Ralu and Antz of Blow Up Productions to begin Ssmooth's first solo project, "Just A Taste". Once Ssmooth began his project, he ran into D.J. 2-Swift who had just begun his production studio. Swift ended up producing every track on Ssmooth's debut album and am sure everyone will be impressed.
