Details: KING EMPIRE RECORDS is a groundbreaking new label geared to giving talented, up and coming artist an opportunity to highlight their talent. This independent label, founded by Russell Neal of Hi-Five, is dedicated to providing national exposure to all of its artist while using a combination of strategies from both independent and major labels. Hard work and determination have been the keys to success for a number of independent labels that are not able to keep up with the spending frenzy of major labels across the country. King Empire Records has captured the essence of this guerilla philosophy and are prepared to take it to the next level. Russell Neal, founder and CEO, has been in the music industry since he was 16 years of age. As a member of Hi Five he was part of Three (3) albums, two (2) number 1 hit songs, two (2) Grammy nominations, and two (2) Soul Train music awards. Hi-Five were the reigning kings of R&B in the early 90s. After signing with Jive records in 1990 their self-titled album went multi-platinum with the hits I Like The Way, I Cant Wait Another Minute, Just Cant Handle It and Just Another Girlfriend. Now Mr. Neal has turned his experiences into a first-class company with good positive morals and dedicated marketing unparalleled anywhere in the market today. The first release from this innovative new label is SYMPHONEE. This girl trio from Waco, Texas ages 18,18 and 19 have stunned everyone who has seen them and they are beginning to make noise throughout the state of Texas. The three girls Brandi "Summer" MacCollister, Keleisha "Nikki" Fuller and LaCasey "Shalae" Jackson are poised for stardom and KING EMPIRE RECORDS intends to make sure that the girls are given the opportunity to be at the top of the charts where they belong. Be on the lookout for their first single entitled "MY BODY" to be released to radio mid-December. Mr. Russell Neal CEO of KING EMPIRE RECORDS

intends to build up bds spins and soundscan through marketing, promotion, and hardwork. Mr. Neal will make the SYMPHONEE CD available for purchase to the public mid-December through ITunes, YahooMusic.com, Amazon.com, Rhapsody.com, BuyMusic.com, CDBaby, and Digstation.com. SYMPHONEE has a website entitled kingempirerecordsthat will enable the public to click on any number of links that will lead to the above mentioned CD retailer of their choice. SYMPHONEE can be contacted at kingempirerecords@gmail.com. Mr. Neal is currently in dialogue with several major labels and intends to sign a distribution deal with a major label by mid Febuary. Watch out world, here comes SYMPHONEE!
