Fun, sexy house music that keeps you dancing and singing even after you leave the club. 7 MP3 Songs in this album (37:28) ! Related styles: ELECTRONIC: House, ELECTRONIC: Tech-House People who are interested in Bob Sinclar David Guetta should consider this download. Details: A sensual yet, tongue in cheek release, is "Nature Rise" by The Keith Thompson Project. The voice that brought you Break 4 Love (the original and the recent version with notable mixes by David Vendetta), returns to the main room with a summer hit. Remixes by young gun remixers: Mike Cortez (France/Poland), Jack Smeraglia (Italy/UK), Audiophonix (UK), and MoonWaker (France), makes this a powerful package that's difficult for Deejaysto decide which mix to play. Taken from Keith Thompson's upcoming autumn 2009 album PARTY STARTER, it's the first release of many to come. "Truly" with Maria Ilieva of Bulgaria, "The Remedy", and "Feel My Love" are among the other potential hits to be release over the next several months. Thompson is consider a house music legend and is the vocalist of the original Break 4 Love with Raze from 1988 (Columbia Records). He is also known for his other hits such as Living On The Frontline, The Rhythm Of Life, and ragga original, Can't Take It. His previous album, LONG TIME COMING, produced hits such as "Africa In Your Veins" among others.
