The world's first power pop concept album. 13 MP3 Songs POP: Power Pop, ROCK: Modern Rock  
Details: The "life as school" theme oriented disc flows nicely from start to finish. Eric Sorensen Fufkin  
magazine A set of songs that hang together in a discernibly conceptual arc on the nature of beginnings,  
endings and acceptance. Hints of Shoes, 20/20, Off Broadway and other avatars of '70s/'80s pop  
greatness waft in and out of The Vandalay's mix, but never distractingly so... Brian Baker Amplifier  
magazine (re)begin IS RE-INVIGORATED. Filled with classic inspired power pop, blasts of obsessive  
love songs, bouyant chugging guitars and hooks that float you in the heavenly seas of pop bliss! Not  
Lame Records (re)begin has more hooks than a tackle box. The Vandalays embody Chicago power pop  
in the most tried and true form. By their great live show you can see they love what they're doing, and that  
is refreshing. David Bash IPO "WE BELIEVE THAT THIS IS THE WORLD'S FIRST POWER POP  
CONCEPT CD, at a time when the music "album" concept seems to have fallen to the way-side. Whether  
or not people identify with the concept, we hope they can identify with and enjoy the songs." Chris  
Cerasoli Lead singer and songwriter The Vandalays
