They built their reputation the old fashioned way. Traveling all over America giving "Live performances" at the most prestigious "Special Events", "Festivals", "Country Clubs", "Weddings", "Bar Mitzvahs", "Colleges", "Night Clubs", "Military Bases", "Corporate Conventions", etc. They have already preformed in forty-nine states, Canada, Santo Domingo, and Hawaii. "The Fantastic Waller Family" consists of three blood brothers and sisters (two ladies and one gentleman). They are all great lead vocalists who are highly choreographed, beautifully costumed, high energy show-stoppers. They are backed by their own five piece multitalented band. (Guitar, drums, trumpet, saxophone, and multi-midi keyboards). They are as exciting to watch as they are to dance to. They have many sets of beautiful uniforms, and they change uniforms after every set. Their sound is one of the tightest in the business. One listen will tell the difference. "The Fantastic Waller Family" sets the standard when it comes to energetic enthusiastic performances. Their love for their profession shows up in the beautiful smiles on each of their faces. They are all very warm and friendly people. Having preformed in as many different settings before so many different types of audiences has given this group the unique ability to read the audience and give them exactly what they want. All of the members of the group and the band are lead singers. With so many different great voices, they can do it all. The latest in hit top-40 music, the greatest in Motown oldies, music from the 50's and 60's. From big band to easy listening; pop, funk or soul music, "The Fantastic Waller Family" is better than the record. They are the best that you can get.
