

## Mp3 Trecherie - Pattern Of Pain

[DOWNLOAD HERE](#)

A dark blend of harsh electronic beats, blazing guitars, harrowing piano, heartfelt lyrics, all meshed together in ten catchy songs by this one woman band, combining influences from industrial, new wave, post-punk, classical and metal. 10 MP3 Songs ELECTRONIC: Industrial, ROCK: Punk-Pop Details: This album talks about inner pain and pleasure, confrontation with the inner demons and the attempt to reconcile with past sins and mistakes. JD is the Trecherie mastermind whose tasks include songwriting, producing, and performing every note heard on this album, blending her love for hard-hitting industrial sound with past influences of new wave and romantic classical piano, graced with her equally as captivating guitar oeuvre. Listen to the driven, seething track "Compromised" or the more metal-influenced guitar work in the irate "Jackie."
